

Dane County Capital Youth Snow Blasters

The Dane County area is proud to have its own youth club, for youths ages 12-20. Organized within the past couple of years, this group of energetic youths has its own meetings, officers, fundraisers, and plans its own events. Parents are welcome to join in the fun, but the events are designed for the youth members. Adult advisors assist as needed. New members are required to have completed the snowmobile safety class or be enrolled in a class at the time of a club function or event. For further information, or to join, please contact Meghan Meinholz, 608-767-3956, megerz1662@tds.net, or watch the Dane county Council of Snowmobile Clubs webpage, www.danecountycouncilsnowmobileclubs.com/ for updates on how to contact the youth club. You can also find us on Facebook.
